

Are you in need of urgent medical attention in the evening, at night or during the weekend?

 Is yours or someone else's life in danger?
Then always call **112**.

 Call **0900 8818** for **non-life-threatening** emergencies in the evening/at night or during the weekend.
If you are calling from abroad or cannot dial a 0900 number, call **+31 77 320 37 58**.

 The hospital in Venray does not provide emergency care, but the hospital in Venlo does. Please note: you can only go there by appointment.

 You can only visit the Emergency Medical Centre (Spoedpost) if you have already made an **appointment** by telephone.

 The Emergency Medical Centre (Spoedpost) is located at the rear of the **VieCuri hospital in Venlo** (Professor Gelissensingel 20 in Venlo, the Netherlands).
